

SLSC 2016

PENNY WARS

RULES

- Your school is to collect pennies and save them in a container.
- Prior to the State Leadership and Skills Conference, take them to a bank and cash them in.
- At the bank, have a check for the pennies made out to “Florida SkillsUSA”
- Upon arrival at the State Leadership and Skills Conference, each region will be represented where checks, bills, and coins can be put into their containers by noon on Tuesday, April 26th.
- Participants will be able to contribute to their region’s bucket with pennies for positive points, and sabotage the other region’s efforts with bills and silvers coins to deduct the value in negative points. For example: nickels are negative five points.
- In the end, checks and pennies will be added together for positive points, and the bills and silver coins will be deducted from each regions' container.
- A winner will be determined and an award will be given to the winning region on Wednesday, April 27th at the Awards Ceremony.

SUPPORT YOUR REGION—SAVE THOSE PENNIES
