GRIEVANCE RULES AND REGULATIONS

The student competitor must file the grievance with the Head Judge prior to leaving the contest area. If the grievance occurs during the contest, the student may alert the Head Judge of the situation and determine the best time to file the official grievance.

Whenever possible, no time will be deducted from the student's contest, and additional time should be provided to account for time missed to file the grievance. Additional time assigned is at the discretion of the Head Judge.

The student may also file the grievance at the end of the contest with the Head Judge, provided they do not leave the contest area prior to filing the grievance.

Contestants may only file a Grievance based on a rule infraction, as outlined in the SkillsUSA Technical Standards and/or General Regulations.

Final interpretations of all contest rules will be made by the SkillsUSA Florida State Director (or the Regional Coordinator at the regional contests) in cooperation with the Grievance Committee.
