

## SkillsUSA Florida Championships 2021

### PREPARING FOR THE CONTEST

#### Introductory Information

*This document serves as a supplement to the official SkillsUSA Technical Standards found online at [absorb.skillsusa.org](http://absorb.skillsusa.org) to be used to prepare for state-level virtual competitions. State-level contests will follow the "Standards and Competencies" outlined in the official SkillsUSA Technical Standards (Virtual). Contestants and instructors should review the contest's Technical Standards as a first step in preparing for a competitive event.*

*Any information contained in this document applies to state-level competitive events only. Download and review the State Virtual General Regulations at [skillsusafl.org/state-conference](http://skillsusafl.org/state-conference) for more information regarding virtual contests. The list of supplies and materials outlined below is subject to change; updates will be posted to our website on the contest updates page.*

*SkillsUSA Professional Members (advisors and teachers) can access the standards through SkillsUSA Absorb ([absorb.skillsusa.org](http://absorb.skillsusa.org)). To join as a Professional Member visit [bit.ly/skillsusa-prof](http://bit.ly/skillsusa-prof).*

#### Clothing Requirements

*Because of the nature of virtual competitions, official SkillsUSA competition clothing is not required, but is encouraged. Students may also compete in trade-appropriate attire if official contest attire is not available. Alternatively, competitors may dress in business attire. See State Virtual General Regulations for more information.*

#### Local Proctor Information

*A local contest proctor (non-advisor/program instructor) must be present for the recording of the contest. The proctor should review the technical standard, this document and the state contest which will include an integrity statement containing additional information for the proctor.*

*Once the contest is complete, the contestants, chapter advisor and onsite proctor will sign-off on the integrity statement. Additional contest proctor information can be found on our website.*

#### Advisor Information

*An advisor or instructor must be present for the duration of the competition to ensure safety and conduct standards are upheld. Advisors will not participate in judging or interfere in the contest, except in the event of safety or conduct violations, or equipment malfunction. Any communication between students and their advisors during the contest will result in disqualification.*

### CONTEST INFORMATION

#### Knowledge Performance

*This contest includes two multiple choice knowledge assessments. Instructions and credentials to complete these assessments will be provided when the contest window opens. These assessments should be completed under the supervision of the contest proctor.*

- **Internetworking Assessment** –  
*Based on the standards and competencies as outlined in the Technical Standards.*
- **Professional Development Career Readiness Assessment** –  
*Assesses preparedness to enter the workforce as defined by the SkillsUSA Framework, which identifies skills that are essential for success in the workplace and life.*

## Skill Performance

*This contest will include a series of modules to be completed by the contestants along with a written exam.*

## Contest Guidelines

*Competitors will be required to demonstrate their knowledge and skills through different modules, which may include end-to-end networking configuration, troubleshooting, simulated TAC call, written exam, and design project.*

*Students will participate in both live and pre-recorded sessions:*

- *Students will design a network that meets specific requirements.*
- *Given a set of networking equipment, students must install or repair a network and demonstrate that the installation properly runs a particular internet application.*
