

## SkillsUSA Florida Championships 2021

### PREPARING FOR THE CONTEST

#### Introductory Information

*This document serves as a supplement to the official SkillsUSA Technical Standards found online at [absorb.skillsusa.org](http://absorb.skillsusa.org) to be used to prepare for state-level virtual competitions. State-level contests will follow the "Standards and Competencies" outlined in the official SkillsUSA Technical Standards (Virtual). Contestants and instructors should review the contest's Technical Standards as a first step in preparing for a competitive event.*

*Any information contained in this document applies to state-level competitive events only. Download and review the State Virtual General Regulations at [skillsusafl.org/state-conference](http://skillsusafl.org/state-conference) for more information regarding virtual contests. The list of supplies and materials outlined below is subject to change; updates will be posted to our website on the contest updates page.*

*SkillsUSA Professional Members (advisors and teachers) can access the standards through SkillsUSA Absorb ([absorb.skillsusa.org](http://absorb.skillsusa.org)). To join as a Professional Member visit [bit.ly/skillsusa-prof](http://bit.ly/skillsusa-prof).*

#### Clothing Requirements

*Because of the nature of virtual competitions, official SkillsUSA competition clothing is not required, but is encouraged. Students may also compete in trade-appropriate attire if official contest attire is not available. Alternatively, competitors may dress in business attire. See State Virtual General Regulations for more information.*

#### Class B: Healthcare Attire

- Official SkillsUSA blue scrubs
- Scrubs should fit appropriately for all health contests and should be properly hemmed and wrinkle-free. Only plain, white, collarless t-shirts may be worn underneath the scrubs. Hair must be pinned up and off the collar.
- White socks or skin-tone seamless hose
- Shoes must be all white or black leather (no canvas), completely enclosed (no open-toe or open-heel). Athletic-style shoes that meet the criteria are acceptable.

#### Supplies and Materials

*Contestants will need the following for the contest:*

- 1:1 device for each contestant with camera, microphone and internet connection of at least 2 Mbps up/down
- Filming Device  
*A device to complete a video recording. This may be a laptop, phone or other device with support devices like a tripod, microphone, etc. Preferred file format is MP4.*
- Pencil and blank scratch paper

- Additional supplies and materials may be required. Contest supply and materials lists will be posted on the Contest Updates page by March 1.

*SkillsUSA Florida will provide the following for the contest:*

- Contest prompt and information
- Contest Prep Box, with materials needed for the contest like stopwatch, measuring tape, and large face digital clock that must be used in pre-recorded videos
- Meeting links and upload information

#### Local Proctor Information

*A local contest proctor (non-advisor/program instructor) must be present for the contest. The proctor should review the technical standards, this document and the state contest which will include an integrity statement containing additional information for the proctor.*

*Once the contest is complete, the contestant, chapter advisor and onsite proctor will sign-off on the integrity statement. Additional contest proctor information can be found on our website.*

#### Advisor Information

*The advisor/instructor does not need to be present for this competition. A local proctor is required. Any communication between students and their advisors during the contest will result in disqualification.*

### CONTEST INFORMATION

#### Knowledge Performance

*This contest includes two multiple choice knowledge assessments. Instructions and credentials to complete these assessments will be provided when the contest window opens. These assessments should be completed under the supervision of the contest proctor.*

- **Medical Terminology Assessment** –  
*This contest involves successful completion of a medical terminology test. Content for the test is based on the Care Standards from the National Health Care Core Skills Standards Project.*
- **Professional Development Career Readiness Assessment** –  
*Assesses preparedness to enter the workforce as defined by the SkillsUSA Framework, which identifies skills that are essential for success in the workplace and life.*

#### Skill Performance

Individual

# Medical Terminology

Health Sciences

Virtual Contest Guide

*Contestants will demonstrate knowledge of medical word roots, prefixes, suffixes, medical word building and medical abbreviations by successfully answering the questions.*

*The test will comprise 100 or more problems that will allow contestants the opportunity to use their knowledge of medical terminology. The test will be completed online. A local testing proctor is required.*

*The contestants will have two and a half hours to complete the test.*

*At the completion of the event, the contestant, chapter advisor and proctor will sign-off on the integrity statement. This integrity statement will need to be submitted with the entry.*

## SUBMISSION REQUIREMENTS

*The following needs to be uploaded by the deadline. No late submissions will be accepted.*

- Statement of Assurances: *PDF file (\*Upload by April 1)*
- Resume: *PDF file (\*Upload by April 1)*
- Integrity Statement: *PDF file*
