

# SkillsUSA Florida Championships 2021

## PREPARING FOR THE CONTEST

### Introductory Information

*This document serves as a supplement to the official SkillsUSA Technical Standards found online at [absorb.skillsusa.org](http://absorb.skillsusa.org) to be used to prepare for state-level virtual competitions. State-level contests will follow the "Standards and Competencies" outlined in the official SkillsUSA Technical Standards (Virtual). Contestants and instructors should review the contest's Technical Standards as a first step in preparing for a competitive event.*

*Any information contained in this document applies to state-level competitive events only. Download and review the State Virtual General Regulations at [skillsusafl.org/state-conference](http://skillsusafl.org/state-conference) for more information regarding virtual contests. The list of supplies and materials outlined below is subject to change; updates will be posted to our website on the contest updates page.*

*SkillsUSA Professional Members (advisors and teachers) can access the standards through SkillsUSA Absorb ([absorb.skillsusa.org](http://absorb.skillsusa.org)). To join as a Professional Member visit [bit.ly/skillsusa-prof](http://bit.ly/skillsusa-prof).*

### Clothing Requirements

*Because of the nature of virtual competitions, official SkillsUSA competition clothing is not required, but is encouraged. Students may also compete in trade-appropriate attire if official contest attire is not available. Alternatively, competitors may dress in business attire. See State Virtual General Regulations for more information.*

### Local Proctor Information

*A local contest proctor (non-advisor/program instructor) must be present for the contest. The proctor should review the technical standards, this document and the state contest which will include an integrity statement containing additional information for the proctor.*

*Once the contest is complete, the contestants, chapter advisor and onsite proctor will sign-off on the integrity statement. Additional contest proctor information can be found on our website.*

### Advisor Information

*An advisor or instructor must be present for the duration of the competition to ensure safety and conduct standards are upheld. Advisors will not participate in judging or interfere in the contest, except in the event of safety or conduct violations, or equipment malfunction. Any communication between students and their advisors during the contest will result in disqualification.*

## CONTEST INFORMATION

### Knowledge Performance

*This contest includes two multiple choice knowledge assessments. Instructions and credentials to complete these assessments will be provided when the contest window opens. These assessments should be completed under the supervision of the contest proctor.*

- **Quiz Bowl Assessment** – Based on the standards and competencies as outlined in the Technical Standards.
- **Professional Development Career Readiness Assessment** – Assesses preparedness to enter the workforce as defined by the SkillsUSA Framework which identifies skills that are essential for success in the workplace and life.

### Skill Performance

## Quiz Bowl

### Leadership and Occupational Virtual Contest Guide

*Teams will demonstrate communication skills, teamwork, problem solving and time-management skills by determining and presenting the answer to each question clearly within the five-second time frame.*

#### Contest Guidelines

*This contest will require teams to complete a multiple-choice online test and compete in a Virtual Live quiz bowl event.*

*On March 1, the Virtual Live competition schedule will be released. Teams should arrange to be available during both the preliminary and final round times.*

*Each contestant will be responsible for completing an online test. The team score on the written exam will be an average of the individual scores on the written exam.*

*Contestants will utilize Zoom as the technology for the live event. All members of the team must be visible on camera during the entire duration of the contest. If necessary, for reason of socially distancing, students may sign in from multiple computers. SkillsUSA Florida will use Buzzin.live as a virtual buzzer solution and questions will be displayed through Zoom.*

*A contest proctor will be required for each recording and live session. Recordings must be setup, started, monitored and stopped by the*

*contest proctor. The camera must be setup in such a way as to show all materials and a clear workspace. The contestant and large face digital clock should be always visible in the recording. The recording must be unedited (continuous) to ensure no outside help was provided.*

*Additional files may be required to be submitted. These requirements will be outlined in the state contest prompt.*

*The contestant will not mention their name, school, city or state. Basic safety practices related to the skill performed must be followed.*

*At the completion of the event, the team, chapter advisor and proctor will sign-off on the integrity statement. This integrity statement will need to be submitted with the entry.*
