

**Wedding Cake Design
Contest Update – March 11, 2021**

Preparatory Information

Each team must submit a video showing the team icing their cake with a plain frosting. No fondant or decorations should be applied during the recorded portion. Videos must be uploaded by 5PM on April 19. No late submissions are accepted.

Students will receive an appointment time for the live portion of the contest on April 21. Students should report at least 10 minutes prior to the scheduled start time.

Teams will have 1 ½ hours (90 minutes) to decorate and finish their cake. The cake should reflect the theme, "Reaching Past the Stars." At the end of the construction time, teams must stop work and will be judged on the cake as it stands at that time.

Reminder: This contest requires a Second Camera Proctor. See the Proctor Guide for more information.
