

**Commercial Baking
Contest Update – March 16, 2021**

Preparatory Information

Commercial Baking competitors will receive recipes for production on April 10 at 8AM EST. Recipes will be accessible on the contest platform.

During the live portion of the competition, students will complete the provided recipes within 2 hours. No additional time will be provided. If students do not complete the recipes within the time allotted, they will be judged on their progress.

Once students have completed the recipes and are ready for judging, they will be transferred to a breakout room for judging and scoring.

Reminder: This contest requires a Second Camera Proctor. See the Proctor Guide for more information.
