

FIREFIGHTING

Supplies and Materials to be Provided by each Competitor:

- A Second Camera Proctor with a portable, handheld camera. No stationary camera is required for this competition, but may be used for the interview station, if desired.
- Navy blue work pants and button-down shirt. The official SkillsUSA blue work shirt is not required, provided attire is trade-appropriate and meets safety standards. A plain t-shirt (no logos) may be worn for some stations.
- Closed toe shoes
- Gloves
- Helmet
- All PPE for donning fire gear and SCBA
- 1-3/4" uncharged hose with nozzle
- Space for 100' hose drag
- Chalk, tape or other marker to designate 100'
- Utility/life safety rope (larger)
- 24' extension ladder
- Eye protection
