

ADVISOR CODE OF CONDUCT

SkillsUSA Florida members are expected to act with professionalism and decorum at all times. SkillsUSA Advisors are responsible for overseeing student participants from their school during all SkillsUSA events, especially during overnight trips. SkillsUSA provides a minimum level of supervision requirements, which may be exceeded by those of your school or district. Students and advisors are expected to follow the rules and expectations of their school or district and the rules of SkillsUSA, whichever is more stringent.

By participating in a SkillsUSA event, I understand that I must adhere to the following rules:

1. I will ensure students adhere to the dress code and code of conduct established by my school/district.
2. I will ensure students adhere to all curfews and lights-out rules established by the SkillsUSA Florida State Office. I will ensure students are in their own sleeping room at curfew, except in the case of emergencies.
3. I will act with integrity and not engage in cheating or plagiarism, allow students to submit that is not their own, provide assistance to students where prohibited, or prevent another member from acting with integrity.
4. I will treat others with dignity and respect. Discrimination and bullying will not be tolerated under any circumstances.
5. I will not consume alcohol or illicit drugs, or abuse prescription medication, and will ensure that students follow the same.
6. I will report any incident or injury, no matter how large or small, to SkillsUSA Florida staff.
7. I will not participate in one-on-one counseling with a student in private.
8. I will not share a sleeping room with a student who is not my ward or blood relative.
9. I will ensure that students under the age of 18 have permission to attend events from their legal guardian or parent and obtain a signature on the Student Code of Conduct form. I will also ensure parents/guardians have contact information for the advisor(s)/chaperone(s) from the school/district, and the name of facilities, address, and phone numbers where events will take place.
10. I will not cause any damage to hotel rooms, property, or other items that do not belong to me, and will ensure students follow the same. Before check out, I will ensure hotel rooms are in good condition.
11. I will ensure students do not leave hotel/conference grounds without notifying me or another school/district chaperone/advisor.
12. I will be courteous to other hotel guests and will ensure students do not run in the halls, slam doors, or otherwise disturb other guests on hotel property.
13. I will not use the pool or participate in water activities and will ensure students follow the same.
