State Director Message

Dear Advisors,

Congratulations! Your chapter members have worked hard this year to attend the 2023 SkillsUSA National Leadership & Skills Conference (NLSC) in Atlanta. On behalf of our state association and board of directors, thank you for your continued work and dedication as an advisor to ensure our members develop around the SkillsUSA mission of empowering members to become world-class workers, leaders and responsible American citizens. We improve the quality of our nation's workforce through the development of SkillsUSA Framework skills that include Personal, Workplace and Technical Skills grounded in academics.

June 19-23 we will enjoy an incredible and empowering week in Atlanta, the home of NLSC. The conference offers an opportunity for every student and teacher attending — supported by our business and industry partners — to ensure America has a future skilled workforce. Competitors in the SkillsUSA Championships will represent our state as the best of the best in their respective skill areas. Delegates will conduct the business of the organization and make decisions for the future of our organization. Chapter leaders will grow and develop in the skills outlined within the Framework. Advisors will grow their toolbox through professional development sessions and networking. And all attendees will be able to interact with the industry professionals who represent the careers your students are preparing to enter.

I know you and your students will make us proud with your professionalism to help ensure we are the best possible state delegation at NLSC. This NLSC guide outlines the upcoming conference including schedules, program overviews and how to prepare yourself and your students. Please review this document carefully and reach out with any questions. We look forward to being with you in Atlanta for the 2023 NLSC!

Sincerely,

Jessica Graber

Welcome to Atlanta!

The SkillsUSA National Leadership & Skills Conference is the showcase of skilled trades. Quality career and technical education will be the centerpiece of the conference. Thousands of students, teachers, education leaders and representatives from hundreds of national corporations, trade associations, businesses and labor unions will join together to engage, prepare and celebrate America's future workforce. Atlanta is excited to be the new home of this event.

While Atlanta is sprawling with towering buildings made of glass and steel, it is truly a city in the forest, dotted with expansive green spaces. Everyone is buzzing about the destination, including Lonely Planet. The travel experts named Atlanta as the only U.S. city included in its Best in Travel list for 2022. This urban oasis is a multi-cultural haven for residents and visitors alike yet exudes Southern hospitality. Individuals from all walks of life add to the city's charm and personality.

Atlanta began as a railroad terminus and remains a transportation hub, but with a 21st-century, global approach. Hartsfield-Jackson Atlanta International Airport is the busiest airport in the world, and 80 percent of the U.S. population lives within a two-hour flight. Visitors can roll into downtown directly from the airport on Atlanta's public rail system, MARTA.

The recently refreshed Centennial Olympic Park is downtown's centerpiece and is anchored by the Fountain of Rings, an everlasting reminder of the 1996 Summer Olympic Games. Next door, attractions surround Pemberton Place such as Georgia Aquarium, World of Coca-Cola and The National Center for Civil and Human Rights. Atlanta Streetcar is the city's modern-day trolley, carrying passengers from the convention and entertainment district to the eastside of the city.

Sports fans have much to enjoy with a multitude of major league teams to see in action. At the state-of-the-art Mercedes-Benz Stadium, the NFL's Atlanta Falcons "Rise Up" and MLS Atlanta United FC, compete on the soccer pitch. At State Farm Arena, the NBA Hawks take the court. For more football action, collegiate fans congregate at Chick-fil-A College Football Hall of Fame.

Atlanta's rich history comes to life in Sweet Auburn Historic District, once the wealthiest black community in America. The area is a focal point for the civil rights movement, as the Martin Luther King Jr. National Historical Park and Ebenezer Baptist Church are located within the district.

Beyond the city's core, Atlanta's intown neighborhoods are packed with personality. Midtown mixes elegance with culture. The Westside has become a magnet for foodies, design enthusiasts and shoppers. Buckhead blends boutiques and galleries with fabulous dining, while Little Five Points keeps it funky through bohemian grunge paired with eclectic shops and music spots.

In Atlanta, chef-run restaurants dish up modern American cuisine in strikingly beautiful spaces. Among the cutting-edge eateries are cozy diners, cafes and bistros. The ethnic mom-and-pop restaurants along Buford Highway offer menus with lots of flavor.

Atlanta welcomes more than a million international visitors each year. Seventy-one countries have representation in Atlanta through a consulate or trade office, giving it a diverse economy. From arts and culture to music and cuisine, the city is full of multi-cultural opportunities for everyone.

Atlanta sits at the intersection of Southern charm, creativity and sophistication. It is easy to fall in love with this beautiful city – its world-class attractions, award-winning dining and hidden wonders – and be inspired by the city's endless possibilities. Downtown/Midtown is the city's vibrant downtown convention and entertainment district is home to world-class attractions, while the artsy Midtown neighborhood provides inspiration through food and culture.

A competition update covers anything that is not listed in the official SkillsUSA Championships Technical Standards and that a competitor and/or advisor needs to be aware of and bring and/or complete for the national competition. State-specific competition updates are not published on the national website. [Competition Updates](#)

National Competitor Online Testing Timeline:

- **May 1:** National online testing process published on [Competition Updates](#) webpage
- **May 16:** NLSC registration closes

- **May 23 - June 9:** National competitor online testing window
- **June 9:** Deadline for national competitors to complete online test(s) 5 p.m. ET
- **June 21:** National competitor substitution testing 4:30 – 6:30 p.m. ET

Professional Development Testing

Professional development testing will be conducted pre-conference via the SkillsUSA Online Testing Platform.

Offering this as a pre-conference test alleviates test administration duties from state directors while also providing student competitors the opportunity to take the test at a time and location that is most productive for them. This national online testing process will be published on May 1 to the [Competition Updates](#) webpage. To avoid any potential confusion between state and national online testing requirements the competition updates currently notifies that the national online testing process will be updated on May 1.

Competitors registered by May 16 will receive testing credential information on how to access their exam(s) on or before **May 23**. Registered competitors will receive an email to the **email address affiliated with NLSC conference registration** with their assigned username, password and login URL. In addition to this information being emailed directly to competitors, user credentials for all registered competitors from your state association will be emailed to the state director. State directors are encouraged to disseminate this information to advisors to ensure that all competitors can access their online test. The SkillsUSA Customer Care Team can assist advisors and students with gaining access to testing accounts. The Customer Care Team can be contacted by email at customercare@skillsusa.org or by phone at (844) 875-4557.

Please encourage your competitors to take this assessment, as it is worth **2.5% of their total overall score**. For leadership and occupationally related competitions, the Professional Development test may be selected as a knowledge exam. If selected as a competition's knowledge exam, the number of points allowed will not exceed **15% of the total possible points** and will be determined by the technical committee.

All Professional Development Tests must be completed by 5 p.m. ET on Friday, June 9 to be scored. Failure to complete the test by this deadline will result in a score of zero for that portion of the competition scorecard.

As a reminder, Action Skills, Building Maintenance, Community Action Project, Employment Application Process, and all middle school competitors are not required to complete the Professional Development test and will thus not be enrolled in a test.

Limited Online Competition-Specific Written Knowledge Test

This year, SkillsUSA is excited to be running our second pilot program designed to assess the feasibility of online, pre-conference technical assessments. **This pilot program will be conducted with competitors from: Quiz Bowl, TeamWorks and Welding.**

In addition to their Professional Development assessment, competitors from these three competitions will also have a Technical Assessment for their competition loaded into their online testing account. These competition tests must also be completed by **Friday, June 9** to provide SkillsUSA and the national technical committees time to tabulate scores. SkillsUSA will communicate this deadline to all competitors in these competitions via email. **Competitors in the Baking and Pastry Arts and Culinary Arts will complete an online third-party assessment(s) and will receive instructions via email.**

Testing for students added/substituted

Please have all substitutions and additions ready for your on-site registration appointment at the Georgia World Congress Center. All substitutions and additions will be processed at this time. Following your appointment, any students who have been added to your registration should take the required online test(s) on **Wednesday June 21** between 4:30-6:30 p.m. ET. Anyone needing to test on Wednesday June 21 must **bring their own device** that can connect to an Internet web browser. (i.e., laptop, tablet, or cell phone) *Cell phone is allowed — but not recommended — due to the smaller screen.*

Community Service Project

On Friday, June 23 at the National Leadership & Skills Conference, SkillsUSA students will apply their skills and provide service to the Atlanta community by participating in the SkillsUSA “Build Skills – Do Good – Complete the Cycle” community service project. The student participants will assemble bikes to be presented to local children.

The day of service will begin with a kickoff rally for attendees and business partners at 9 a.m. in the Georgia World Congress Center. From 9:30 a.m. to 12 p.m., students will work in teams to apply their skills and carefully construct two children’s bicycles. This will be a fantastic ending to conference week as 400 students, advisors and partners work to give back to the Atlanta community.

Students and advisors who want to register for the Community Service Project will do so in SkillsUSA Register. Under “Add-On Events,” users will click the “Yes” button next to the question “Participate in Community Service Project on Friday?”

State Directors can view the “Community Service” column on their NLSC exported spreadsheet to view all Community Service Participants.

Additional details about the service project will be provided before NLSC on the SkillsUSA website. We look forward to your state’s participation in the NLSC Community Service Project!

NLSC Community Service Sock Drive

The Need

Atlanta is an incredible city known for mouth-watering fried chicken, exciting museums and of course, southern hospitality. At the 2023 NLSC, we have an opportunity to showcase that hospitality to those who need it most: Atlanta's homeless population.

Socks are one of the most requested clothing items at homeless shelters. The reason for this is that socks are not often donated, and when they are, they are typically unable to be sanitized and used. NLSC attendees have an opportunity to provide a local Atlanta charity with a plethora of free, new socks to gift to people in need. The impact of this giving opportunity to showcase support for the homeless population in Atlanta will be immeasurable.

The Challenge

This is a SkillsUSA chapter vs. SkillsUSA chapter challenge! Throughout NLSC week, chapter members will have opportunities to drop packages of new socks into donation boxes stationed throughout the Georgia World Congress Center. Through a sock donation tracking system, we will follow the number of socks donated by the chapter. At the end of the week, all socks will be collected and donated to a local Atlanta charity. The chapter that donated the most socks will be recognized on stage at the Awards Session!

Your Role

We need your help in encouraging chapter members to get excited about giving back! If each NLSC attendee brings a new pack of socks we could potentially donate over 12,000 pairs! Promotional material and further details regarding the NLSC Community Service Sock Drive will be heading your way in the coming months. Let's work together to leave a positive and lasting impact in our host city...one sock at a time!

In individual registration records:

- If applicable, select a pre-conference or the Advisor Summit event in the Add-On Events section.
- Your state may be offering additional add-ons. In the Optional Fees section of each individual registration record click the button Add to display a list of possible options. Select the quantity and click Save.
- The Advisor is responsible for providing the Code of Conduct to students and other attendees they register. Read the agreement in the Attestation section and check the box I agree. See section Conference Registration Liability and Release Form section for instructions on how to display and print the Code of Conduct Agreement.
- Once names are added and individual registration records are completed click the **Submit Registration** button to validate your registration information and to issue an invoice if your state is using the invoicing in the system. **NOTE:** Once a name is added to the site, they are considered registered regardless of whether the Submit Registration button was clicked. Be sure to advise your state director before the registration deadline of anyone who is no longer attending.

Conference Registration Liability and Release Form

Once the name is registered; click the FORM link that is displayed to the left of the name and ensure all fields are completed. It is critical to provide accurate birth dates for contestants, onsite emergency contacts for all participants, and complete the Americans with Disability Act and food allergies sections if applicable. We recommend you print the Conference Registration Form and have the participant verify the information is accurate.

- A blank Registration, Liability and Release Form can be printed ahead of time and given to the participant to fill out or have a parent sign. Click the tab Conference > [Conference Liability and Release Form](#). The form should then be returned to the advisor or designated school person to enter the data on the website as mentioned above.
- Home Addresses: You must provide a home address for contestants. Contest awards and corporate gifts are mailed to home addresses.
- Emergency contact information is required for all participants.

Name Badges

- **Name badges must be worn to be admitted to all NLSC functions.** Please remind your students to remember to have their badge before leaving the hotel to avoid a return trip back to the hotel.
- Please do not attach pins directly to name badges. Please attach pins to lanyards.

Drop and Refund Policy

Schools are responsible for paying for all registrants that cancel after the registration deadline. Drops made after the deadline are not eligible for a refund/credit.

Advisor Best Practices

Conference week will really fly by but try to take in as much as possible. This conference provides something for everyone. Best practices: Meet as many people as you can. Get contact information or connect on social media. You will meet fellow advisors who have great ideas; you will meet industry personnel who can advise you. You will meet national staff who are prepared to help you become the best SkillsUSA advisor you can be. And it all starts with a simple hello!

Set yourself and your students up for success by following these best practices:

- **SLSC: NLSC Meeting:** Attend the SLSC:NLSC meeting with your state office staff (or set up a meeting yourself). You and your students will be part of a state delegation and will be expected to follow both school district and state organization policies and procedures (example: travel agencies versus travel on your own, assigned hotels, state sponsored banquets, meals, etc.). Then mark all conference-related deadlines on your calendar.
- **Discuss NLSC with your school administrator or CTE Director:** Seeking support for you and your students to attend NLSC is a critical step. Schedule a meeting to discuss budget and travel policies. Create a planned budget of expenses to share during the meeting. Include the cost of registration, travel, meals, shipping (if applicable), and try to plan for some fun extras if possible. (Your school may not provide all these items, but there may be organizations in the community willing to help offset those costs.) We encourage you to consider bringing along future chapter leaders and another advisor for professional development.

Tip: Begin the requisition process as soon as possible (some advisors even do this before state championships, as there is sometimes a quick turnaround for travel agents, registration, etc.).

- **Connect with Student Families:** Meet with your student(s) and their families. This step is crucial! Don't assume that your student is communicating needed information to parents/guardians. This meeting should be done after you meet with your administrator so that finances can be discussed. Make sure that your students' family understands that even though NLSC is in June, it is a school event and all policies and procedures will still be followed. (This is true even if the student has graduated from high school prior to attending NLSC.) Review the travel itinerary and hotel arrangements with the family. Be candid about costs. If your student is expected to pay for food, baggage fees, mementos and clothing, give them a reasonable amount of money to plan for.
- **Preparing a Competitor for NLSC:** First and foremost, review the SkillsUSA Championships Technical Standards competition guidelines, located in Absorb in the Professional Membership Benefits section. We encourage you to set up regular contest practice sessions with your competitor. It is vital that your competitor studies the Technical Standards rules and regulations, and practices each skill for the national competition. It is great to seek assistance from business and industry to evaluate work and provide feedback. This helps your competitor feel ready to compete. Be sure and check the [competition updates](#) page frequently for any important contest updates. Testing information along with resume upload instructions will be sent to your student's email on file. The required competition attire for national events is outlined in the SkillsUSA Championships Technical Standards and SkillsUSA official attire is required for the Opening and Awards Sessions at NLSC.

Planning and Packing — Tips for Students:

- Take the time to think through what you will need, then pack accordingly
- Leave your itinerary with your family
- Tag your luggage inside and out
- Bring a cellphone (and charger) and download the NLSC app
- Save your advisor's cell phone number
- Have a valid travel ID and medical insurance card
- Bring comfortable shoes
- If you take prescription medicine, bring a supply with you
- No backpacks or large tote bags are allowed in the general sessions

Hotel Courtesies

SkillsUSA has a nationwide reputation for upholding high standards. This good reputation allows each of us to take pride in our organization. The following is a list of hotel courtesies and suggestions for students and advisors:

- Tipping:
 - Conference attendees should tip hotel staff if they assist with luggage or take luggage to the hotel rooms (\$1 per bag) and if they order room service (15-20% of the meal cost).
 - Conference attendees should tip for all full-service (sit down) meals in restaurants (15-20% of the meal cost).
- Both the SkillsUSA Code of Conduct and the rules of the hotel must be followed.
- Conference attendees should respect and obey hotel security staff, procedures and safety regulations including fire alarms, cleared stairwells, security doors and lighting, restricted areas or posted notices.
- Conference attendees should be considerate of all other guests in the hotel, keeping voices low in common areas such as the lobby, hallways and elevators.
- Conference attendees should keep their hotel room neat and their personal belongings organized, for the comfort of everyone staying in the room. Do not leave valuables in the hotel room.
- Conference attendees may not open hotel windows or throw objects out of windows (an offense subject to police action). Do not damage or remove items from the hotel room.

Fire Safety

The probability of you being involved in a hotel fire is remote but taking precautions and knowing what to do in an emergency is important to every traveler. You won't have time to plan during an actual emergency.

1. When you arrive in your hotel room, review the fire evacuation plan posted on the back of the door and read it carefully. If one is not posted, ask the front desk.
2. Find the two exits nearest your room. Check them to be sure they are unlocked.
3. Count the doors between your hotel room and the exits. This will allow you to find the exits even if the corridor is unlighted or becomes filled with smoke.
4. Take every alarm or unusual noise seriously. If you hear a smoke alarm, don't hesitate — act.
5. If fire is in your room, get out of the room and close the door. Report the fire immediately to the fire department and the front desk.

6. If the fire is not in your room, leave it if you can. Touch the door to test it for heat. If it's cool, brace your shoulder against the door and open it slowly. Be ready to close the door right away if there are flames on the other side. Stay low and crawl through the smoke to the exit; fresher air will be near the floor. Take your key so that you can return to your room if you can't use the exits.
7. If your room door is hot, don't open it as there could be fire on the other side.
8. Use wet towels or sheets to seal the cracks around the door. Turn off fans and air conditioners. Call the fire department even if you can see firefighters outside and give your exact location. Signal at your window and stay low to avoid smoke. Leave your window closed if you see smoke outside since smoke and fire may enter through the window. If there is smoke in the room and it is clear outside, try opening the window. Be sure to close the window immediately if more smoke enters your room.
9. Fire exits and stairwells are your best escape routes. Never use an elevator during a fire; the elevator could stop at the fire floor.
